Dear Messrs. Day and Jansen:

GROUNDWATER IMPACT ASSESSMENT FOR THE 400 AREA PONDS

In August 1992, the schedule for preparation and submittal of groundwater impact assessments for the disposal of liquid effluents to the soil at the Hanford site was established in fulfillment of Milestone M-17-13A of the Hanford Federal Facility Agreement and Consent Order. This schedule called for the submission of the Groundwater Impact Assessment for the 400 Area Ponds by October 31, 1992.

This letter transmits the assessment for your review and approval. If there are any questions, or a need for additional information regarding this Assessment, please contact L. S. Mamiya of my staff at (509) 376-1471.

Sincerely,

June M. Hennig, Director
