Mail Stop PV-11  
Olympia, Washington 98540-8711

Dear Messrs. Day and Nord:

HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (TRI-PARTY AGREEMENT)  
MILESTONE M-14-00

During the Tri-Party Agreement Quarterly Milestone Meeting on September 18, 1991, DOE committed to providing you with a change request for Tri-Party Agreement Milestone M-14-00 by October 1, 1991. The milestone currently calls for completion and initiation of operations of a low-level mixed waste laboratory by January 1992. A draft of change request Number M-14-91-1 was submitted to you in our October 1, 1991, meeting in Lacy, Washington. The request proposed a modification to M-14-00 to reflect Hanford's capability to provide analytical service to support other Tri-Party Agreement cleanup milestones and that it should not be oriented toward who performs the services nor specify the facility. Based upon the discussion in the October 1, 1991, meeting, DOE is preparing the change request with the information and details requested and currently plans to submit to you by November 1, 1991.

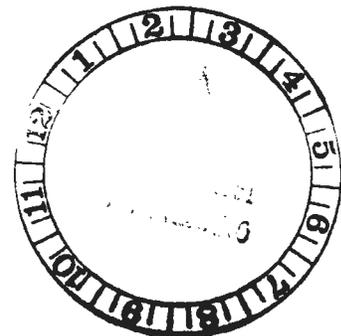

If you have any questions or need further information, please contact either Kenneth Bracken on (509) 376-1366 or myself on (509) 376-6978.

Sincerely,

*Steven H. Wisness*  
Steven H. Wisness  
Hanford Project Manager
