Dear Mr. Clayton:

Re: ECY RFQ/Q 9912

This letter is to inform you that Shannon & Wilson, Inc. has not been selected for the Washington State Department of Ecology (Ecology) contract to perform the completeness determinations and technical reviews of the Hanford River Protection Privatization Project. Ecology thanks you for your participation in this process. We would like to extend an offer for a debriefing conference to discuss why your proposal did not score as high as the one we selected.

Should you have questions, please call me at (360) 736-3009.

Sincerely,

Jerry Yokel
