The Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Action Plan, Section 9.4, Administrative Record states: "A hard copy of the administrative records will be maintained by the DOE, except for data packages, technical literature, engineering designs, maps, computer models and technical databases."

In light of the current health situation (Coronavirus) and the ability for personnel to telecommute if necessary, the U.S. Department of Energy (DOE), Washington State Department of Ecology (Ecology), and U.S. Environmental Protection Agency (EPA), hereafter referred to as the Parties, have agreed to extend the temporary suspension of the TPA Action Plan 9.4 requirement to maintain a hard copy document at the AR location (2440 Stevens Center, Richland, WA 99352) from January 15, 2021 until September 30, 2021.

As the September 30, 2021 date approaches, this agreement will be revisited to see if another extension is warranted. When work resumes to normal, the AR will begin maintaining a hard copy in accordance with TPA Action Plan, Section 9.4. A hard copy of all electronic submittals during the suspension period will be printed by the AR staff in a timely manner when the temporary suspension has ended or is terminated.
