The Draft EIS addresses:

- A proposal to leave all the waste in the ground.
- The current requirement of the Hanford cleanup agreement to remove and glassify 99 percent of the waste
- Cleanup costs ranging from \$7 to \$250 billion.
- Options for reducing risks to public health and the environment.

Workshop and Public Meeting

Wednesday, May 22, 1996

Workshop at 6:00 p.m.

Public Meeting at 7:00 p.m.

Pier 69

Headquarters Building, Main Floor

2711 Alaskan Way

Seattle, Washington

The workshop will provide background information on the technical analysis in the Draft EIS. At the public meeting, DOE and Ecology representatives will be available to respond to questions regarding the Draft EIS and receive public comments on the Draft EIS.

For more information on how to comment on the EIS, or to receive a copy of the EIS, call the toll-free Hanford Cleanup line at 1-800-321-2008. Public comments will be received through May 28, 1996. For special accommodation needs, call Michelle Davis at 1-360-407-7126 or 1-360-407-7155 (TDD).
