I urge you to designate all public lands on the Wahluke Slope, the Homford Reach, its/the islands, the Mc Kee Reach, and the Bird Lands Ecology Reserve as National Wildlife Refuge. We must not allow grazing in the fragile lands. We (you) must restrict mining to clean up and remediation. All archaeological and paleontological sites must be protected. This refuge then must be managed for nature, including all humans.

This is a postage-paid self-mailer. Please fold and seal before mailing to the address on the back.

IMPORTANT: Before returning this Comment Sheet, please fold the flyer so that it is addressed to Mr. Tom Ferns, and the largest flap on the back matches at the top. Seal with tape at the top only.
