SUBJECT Temporary Suspension of Tri-Party Agreement Milestones from the Agreement in Principle for the Negotiation of Hanford Federal Facility Agreement and Consent Order Revisions in Response to Federal Fiscal Year 2018-2020 Appropriation in Conjunction with the RASCAL Recommendations (Interagency Management Integration Team Determination 2020-006) for Expediting Remedial Cleanup on the Hanford Central Plateau

DETERMINATION:

The U.S. Department of Energy (DOE), U.S. Environmental Protection Agency (EPA), and Washington State Department of Ecology (Ecology) initiated negotiations on August 25, 2020, with an Agreement In Principle (AIP) for the Negotiation of Hanford Federal Facility Agreement and Consent Order (HFFACO) Revisions in Response to Federal Fiscal Year (FFY) 2018-2020 Appropriations in Conjunction with the Representative Analogous Site Coordinating Agency Liaisons (RASCAL) Recommendations (Interagency Management Integration Team (IAMIT) Determination 2020-006) for Expediting Remedial Cleanup on the Hanford Central Plateau (hereafter referred to the Budget/RASCAL negotiations).

This AIP included negotiating 16 existing TPA milestones. The original Budget/RASCAL AIP was approved on August 25, 2020, extended on January 7, 2021 and April 14, 2021, and expired on May 17, 2021. Negotiations continued under this AIP until its expiration date on May 17, 2021. DOE, Ecology, and EPA (hereafter referred to as the Parties) are currently discussing options on a path forward to continue these negotiations. On May 20, 2021, the IAMIT representatives agreed to temporarily suspend 13 TPA interim milestones, as listed in Table 1 – List of TPA Interim Milestones Temporarily Suspended, for 45 days in order to allow the parties to negotiate a path forward. NOTES: TPA Major Milestone M-015-00 is not subject to this temporary suspension and therefore is not included in Table 1, as it would require a Class I signatory approval. TPA interim milestone M-085-90 was extended via approved Change Control Form M-85-21-02 on June 7, 2021 and is not included in Table 1. TPA interim milestone M-015-112 entered into the TPA Dispute Resolution process on June 7, 2021 (reference DOE letter 21-AMRP-001904) and is not included in Table 1.

Upon approval of this IAMIT Determination, the Parties agree that the deadlines for these 13 TPA interim milestones will be suspended for 45 days. This 45-day suspension will be calculated as starting on the day the last signature is obtained. This 45-day suspension is intended to allow the Parties to prepare and approve a revised AIP.
