Chairperson Vigue:

The Confederated Tribes of the Umatilla Indian Reservation (CTUIR) has a voting membership on the Natural Resources Trustees Council. The CTUIR governing body, the Board of Trustees, has designated the Executive Director to encompass this position by resolution. However, until otherwise informed, I appoint my voting membership to Environmental Science and Technology Program Manager Stuart Harris.

Mr. Harris has my full confidence to be a member of the NRTC. As a voting member he will ensure the CTUIR's coordination and efforts in restoring and minimizing impacts to natural resources during the clean-up and monitoring of the Departments of Energy's Hanford Site.

Thank you,

Don Sampson
Executive Director
