Dear Mr. Sherwood:

**HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER (TRI-PARTY AGREEMENT) MILESTONE M-13-19**

This letter serves as notification that the U.S. Department of Energy, Richland Operations Office (RL), has met the Tri-Party Agreement Environmental Restoration Milestone M-13-19 "Submit 200 North Pond Cooling Water Work Plan," by February 28, 1999. This waste group has been incorporated into the 100 Area Remaining Sites Proposed Plan and the milestone has been met by issuance of the 100 Area Remaining Sites Proposed Plan for public review, which started November 2, 1998. The U.S. Environmental Protection Agency has informed RL that seeking public comment on the 100 Area Remaining Sites Proposed Plan, which incorporates the 200-CW-3 waste group, constitutes meeting the milestone. As of November 2, 1998, Tri-Party Agreement Milestone M-13-19 is considered closed, and no further action will be taken.

If you would like to discuss this matter further or require additional information, please contact Mr. Bryan L. Foley at 376-7087.

Sincerely,

  
Bryan L. Foley, Project Manager  
Groundwater Project
