Temporary Suspension of Article XXXIII, Notification Requirements

DECISION / DETERMINATION / ACTION ITEM: (Note the assignee and due date)

The Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Legal Agreement, Part Five, Common Provisions, Article XXXIII, Notification, states that documents sent between the U.S. Department of Energy (DOE), Washington State Department of Ecology (Ecology), and the U.S. Environmental Protection Agency (EPA), hereafter referred to as the Parties, will be sent by certified or overnight express mail, or hand delivered. In light of the current health situation (Coronavirus) and the ability for personnel to process mail or hand-deliver documents, the Parties have agreed to a temporary 6 week suspension of these requirements.

The Parties agree that during this 6 week suspension (starting on the date of the last signature) documents may be emailed in lieu of the Article XXXIII requirements. The Parties agree that the receipt date will be the date and time that a document is received. Documents shall be sent to the applicable agency(ies) as follows:

- DOE: via email at TPADOE@rl.doe.gov.
- Ecology: via email at NWPmail@ecy.wa.gov.
- EPA: via email to the designated project manager or manager.

The Parties also agree that during this 6 week suspension, the Parties may use electronic signatures for transmittal or approval of these documents.

After 6 weeks, this agreement will be revisited to determine if an extension is warranted.
