

WSCF PMM Minutes for October, held on November 2, 2012 at 1:00pm in Room 28, WDOE
Attendees: Lee Fearon, Deborah Singleton, Dan Smith, and Matt Mills

1. ECO Discussion

1. Discuss any compliance questions/issues-

- o It was documented that J. Cammann (MSA) provided WDOE the requested photos of the WSCF Satellite Accumulation Areas in support of L. Fearon's recent Site visit. L. Fearon indicated there were no questions or concerns at this time.

2. Discuss site visit and any follow-up discussions-

- o D. Singleton indicated that WDOE (L. Fearon) will continue to follow up with Site visits to support any compliance needs at WSCF.
- o According to statements made by L. Fearon (WDOE), a comparison was made with Test America Laboratory and Manchester Environmental Laboratory on the subject of management of SAAs within the WSCF Laboratory. L. Fearon stated that the management of SAAs at WSCF by Mission Support Alliance was consistent with and comparable with how the Washington State Department of Ecology performs its management of SAAs.
- o L. Fearon indicated that future Site visits would include looking at:
 1. Container management;
 2. Dangerous Waste Training Plan; and
 3. Records review.

2. Analytical Updates

1. WSCF September 2012 "Flash Report".

- o Provided

2. Per Ecology's specific request, provided by L. Fearon, WSCF agreed to provide confirmation of Groundwater well sample receipt for each specific request.
