Dear Mr. O'Conner:

NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION'S (NOAA'S) SIGNING
OF THE HANFORD NATURAL RESOURCE TRUSTEE COUNCIL (HNRTC)
MEMORANDUM OF AGREEMENT (MOA)

The U.S. Department of Energy (DOE) is responding to NOAA's January 11, 2012, signing of the HNRTC MOA which was discussed at the January 15, 2012, HNRTC meeting. As a signatory to the original MOA, and consistent with this express requirement that any amendments be agreed to by the Trustees, this letter serves as DOE's approval, contingent upon agreement of the other signatory Trustees, to amend the MOA to include NOAA as a formal HNRTC member. DOE appreciates NOAA's contributions to the HNRTC in the past and welcomes NOAA as voting member on the Council.

If you have any questions, you may contact me, or your staff may contact Janis L. Ward, of my staff, on (509) 376-2495.

Sincerely,

Matt McCormick
Manager
