Columbia River Comprehensive Impact Assessment

June 16, 1997

Ralph Patt
128 12th Street NE
Salem, Oregon 97310

Dear Mr. Patt:

The Columbia River Comprehensive Impact Assessment (CRCIA) Team thanks you for your participation in the recent Focus Group meeting in Portland. Your participation contributed to the success of this meeting that brought together knowledgeable and concerned representatives of organizations and governmental agencies to discuss the results of the CRCIA analysis.

Because of the potential significance of this assessment, the CRCIA Team appreciates feedback, such as we received from the Focus Group, to evaluate our progress and guide the CRCIA into the future. This meeting was successful because you were willing to take time from your busy schedule to participate. Any additional comments you may have on the draft CRCIA screening assessment will be accepted through June 30 (extended from June 17, 1997).

If you have any questions or wish further discussion on the draft document, *Screening Assessment and Requirements for a Comprehensive Assessment*, please contact Bob Stewart on 509-376-6192.

Thank you again for your support.

Sincerely,

RECEIVED

JUN 19 1997

THE CRCIA MANAGEMENT TEAM

Columbia River Comprehensive Impact Assessment

June 16, 1997

Ms. Paige Knight
Hanford Watch of Oregon
2285 SE Cypress
Portland, OR 97214

Dear Ms. Knight:

The Columbia River Comprehensive Impact Assessment (CRCIA) Team thanks you for hosting the recent information meeting in Portland, Oregon. Your support contributed to the success of this meeting to inform the public of the preliminary results of the CRCIA analysis.

The public meetings we held in Richland, Hood River, Portland, and Seattle were an opportunity for the CRCIA team to status the program and receive comments on the *Screening Assessment and Requirements for a Comprehensive Assessment*. Comments received will be addressed in the final revision of this document.

Your comments, the comments of Hanford Watch of Oregon members, and the people of the Portland area are invited on how the Screening Assessment evaluated the river and its users and how a more comprehensive assessment could be done in the next phases. Comments on the draft Screening Assessment will be accepted through June 30, 1997 (extended from June 17, 1997).

Thank you again for your support of this important program.

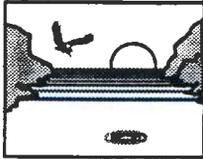

Sincerely,

Columbia River Comprehensive Impact Assessment

Ms. Cindy deBruler
President, Columbia River United
P.O. Box 667
Bingen, WA 98605

Dear Ms. deBruler:

The Columbia River Comprehensive Impact Assessment (CRCIA) Team thanks you for hosting the recent information meeting in Hood River, Oregon. Your support contributed to the success of this meeting to inform the public of the preliminary results of the CRCIA analysis.

The public meetings we held in Richland, Hood River, Portland, and Seattle were an opportunity for the CRCIA team to status the program and receive comments on the *Screening Assessment and Requirements for a Comprehensive Assessment*. Comments received will be addressed in the final revision of this document.

Your comments, the comments of Columbia River United members, and the people of the City of Hood River area are invited on how the Screening Assessment evaluated the river and its users and how a more comprehensive assessment could be done in the next phases. Comments on the draft Screening Assessment will be accepted through June 30, 1997 (extended from June 17, 1997).

Thank you again for your support of this important program.

Columbia River Comprehensive Impact Assessment

June 16, 1997

Mary Lou Blazek
Oregon Department of Energy
625 Marion Street NE
Salem, OR 97310

Dear Ms. Blazek:

The Columbia River Comprehensive Impact Assessment (CRCIA) Team thanks you and your staff for setting up the recent Focus Group meeting in Portland. The support of your staff contributed to the success of this meeting that brought together knowledgeable and concerned representatives of organizations and governmental agencies to discuss the results of the CRCIA analysis.

Because of the potential significance of this assessment, the CRCIA Team appreciates feedback, such as we received from the Focus Group, to evaluate our progress and guide the CRCIA into the future. The success of this meeting was the result of you and your staff contacting concerned individuals, organizations, and agencies, and establishing the meeting location. The CRCIA Team would not have been able to bring together such a group without the help of the Oregon Department of Energy.

Thank you again for your support and the support of your staff on this important program.
