Re: Continuing Extension of Department of Ecology's Review of the *Single-Shell Tank Structural Integrity Work Plan*, (SST Integrity Work Plan), RPP-PLAN-63133, Revision 0

Dear Brian A. Harkins:

The Department of Ecology (Ecology) acknowledges that the SST Integrity Work Plan was received on July 11, 2019, in accordance with the *Hanford Federal Facility Agreement and Consent Order* Interim Milestone requirement M-045-91J.

Ecology needs an additional 30 days to finalize our comments on the SST Integrity Work Plan. We will provide our comments by April 30, 2020.

If you have any questions, please contact me at jeff.lyon@ecy.wa.gov or (509) 372-7914, or James Alzheimer, Single-Shell Tank Engineer, at jim.alzheimer@ecy.wa.gov or (509) 372-7982.

Sincerely,

Digitally signed by Lyon,
Jeffery (ECY)
