Dear Mr. Nylander:

UNDERGROUND STORAGE TANK 200E-HSF-17 CLOSURE FORM IN SUPPORT OF HANFORD PROJECT L-044

In early October 1993, work is expected to start on a Hanford construction project (Project L-044). Project L-044 will remove 23 and install 12 new petroleum Underground Storage Tanks (USTs). Enclosed is a UST 30-Day Notice of Intent (NOI) to Close/Decommission form. The NOI allows for permanent closure of UST 200E-HSF-17 in support of Project L-044.

Based on the objectives of Project L-044 and in accordance with Washington Administrative Code 173-360-385(2), an extension of the 60 day required closure period for UST 200E-HSF-17 is being requested to March 1994. The closure date is subject to change depending on the schedule provided by the contractor performing the removal. Section 2 of this form has been intentionally left blank pending selection of the contractor for this work.

Should you have any questions, please contact Ms. A. L. Rodriguez on (509) 372-0277.

Sincerely,

Robert G. Holt
