Dear Mr. Jim:

RESPONSIVENESS SUMMARY FOR ALL PUBLIC COMMENTS RECEIVED ON THE IN SITU  
TREATABILITY TEST PLAN, DOE/RL-95-107, REV. 0

The U.S. Department of Energy, Richland Operations Office (RL), appreciates the valuable time you have taken to review the test plan and provide your input into the decision making process. Enclosed for your information is a copy of the subject summary. The summary package includes RL's responses to all comments submitted, backup information associated with the responses, and a photocopy of all correspondence received by RL or the State of Washington Department of Ecology. All comments will be considered in making the decision of whether or not to proceed with the treatability test.

If you want to discuss this matter further or require additional information, please contact me at (509) 376-7142.

Sincerely,

*David E. Olson*
