Dear Messrs. Sherwood and Stanley:

### TRANSMITTAL OF THE 100N AREA PILOT PROJECT MANAGEMENT PLAN

Although 100N Area Pilot Project negotiations have not yet been finalized, it had been agreed to by the parties that a draft 100N Area Project Management Plan would be submitted to the U.S. Environmental Protection Agency (EPA) and the State of Washington Department of Ecology (Ecology) by May 31, 1994. The U.S. Department of Energy (DOE) feels it is appropriate to meet this expectation, and the document is attached for your review and comment.

The document is a first draft, and will be going through a concurrent review by DOE, EPA, and Ecology. Therefore, the draft 100N Area Pilot Project Management Plan does not necessarily reflect the final position of DOE.

A final draft of the document will be issued thirty days after receiving your comments. If you have any questions, you may contact Ms. Heather R. Trumble at (509) 376-3721.

Sincerely,

Patrick W. Willison  
Acting Hanford Project Manager
