Subject: 1100 Area PAS, IAG# DE-AI06-97RL13717

Dear Mr. Rasmussen:

Per our discussions with Mr. Jamie Zeisloft concerning emergency medical leave of the Fish and Wildlife Service's principal writer of the draft 1100 area PAS, we are forwarding by disc the work we have completed and comments we were considering. We understand DOE will assemble the draft for the NRTC 1100 PAS working group.

Thank you for your assistance and understanding.

We understand this completes our task under IAG# DE-AI06-97RL13717. We will be closing out this account by mid-January.

Sincerely,

Philip Laumeyer  
Field Supervisor
