**Subject:** Pre-meeting on By Laws-Modifications

Hi Everyone;

I have taken the initiative to schedule a meeting on Wednesday afternoon Jan 10th, 2001 in the BLM conference room, from 1:00 PM to 4:30 PM to do some preliminary work on the HNRTC By-Law modifications so that we can make more progress during the January 11-12 meeting. The purpose of the meeting would be to work on draft language for the By-Laws for such items as reaching consensus, making motions, formal voting procedures and taking and recording minutes. The proposed changes could then be presented at the full council meeting thus speeding up the possibility of reaching agreement. All of the trustees who can attend are encouraged to come to Spokane a day early to participate. The address for the BLM office is 1103 N. Fancher, Spokane WA. I'm aware that there are numerous conflicts but I think an opportunity to work on some draft language ahead of time will really help.

Thanks and hope to see a few of the trustees that can make it.
