Dear Messrs. Day and Nord:

LABORATORY SUPPORT FOR HANFORD FEDERAL FACILITY AGREEMENT AND CONSENT ORDER
(TRI-PARTY AGREEMENT) MILESTONE M-18-00

On September 18, 1991, at the Tri-Party Agreement Quarterly Milestone meeting, DOE Field Office, Richland (RL) committed to begin an evaluation of analytical support for the Waste Repackaging and Processing Facility (WRAP), Tri-Party Agreement Milestone M-18-00. To date, several meetings have been held to discuss the necessary analytical support for WRAP. WHC has made projections of necessary analytical support for WRAP and Decontamination and Decommission facilities, and an engineering study of potential facilities to support these projections has been initiated.

A status of this effort will be provided to you in the December Tri-Party Agreement Quarterly meeting. If you have any questions or need further information, please contact either Donna Wanek on (509) 376-5778 or myself on (509) 376-6978.

Sincerely,

Steven H. Wisness
