Inter-Agency Management Integration Team Meeting
December 11, 2014
AGENDA

Chairperson: J. Hedges

10:05 a.m.	Discuss IAMIT action tracking
10:50 a.m.	Adjourn Inter-Agency Management Integration Team Meeting

Topic: IAMIT Action Tracking

MSA provided an IAMIT action tracking table (see handout). EPA inquired about action No. 3 the dispute on the M-016-175 sludge milestone. DOE-RL responded that it is associated with K Basins, and that the statement of dispute (SOD) was transmitted to the IAMIT. EPA agreed to extend the dispute at the IAMIT level regarding TPA milestone M-016-175 (action No. 3) until January 9, 2015. It was noted that the IAMIT meeting scheduled for January 9, 2015 was moved to January 8, 2015 (action No. 3) to accommodate staff members work schedules. EPA stated that it would be helpful to include the milestone numbers in the action tracking. MSA responded that it will include the milestone numbers. Ecology stated that it reviewed the action tracking and had no comments or suggestions.
