- II. Status Report
- III. General Discussions
- IV. Status of Actions
- V. New Action Items
- VI. Next Project Managers Meeting

M-91 PROJECT MEETING MINUTES

Project Managers Meeting
825 Jadwin/Room 590A
Hanford, Washington

January 27, 2005

- I. Approval of December 16, 2004 M-91 Project Meeting Minutes (Ecology/DOE-RL/FH). Note: The October 28 and December 16, 2004 PMM minutes are being retained by RL for approval and signature.
- II. Status Report
 - A. Greg Sinton (RL) distributed the M-91 status summary as of 1/25/05. Regarding M-91-03, Mr. Sinton stated that there was a court ruling on Monday that affects the situation with TRUM. There are several contingent milestones with M-91 for TRUM and the contingent part will probably be taken out. Alicia Hamar (Ecology) asked if a letter will be provided to Ecology providing information on the contingent milestones. Mr. Sinton responded that he will probably draft a letter indicating that the plan is to certify the TRUM. There will also be a 30-day window to submit a change request to make the contingent milestones non-contingent. Mr. Sinton stated it was not clear yet when the 30-day time frame would begin.
- III. General Discussions
 - A. There were no topics for discussion.
- IV. Status of Actions
 - A. There were no actions to status.
- V. New Action Items
 - A. Mr. Sinton will provide Ecology with an overview of M-91 on Wednesday, February 2, 2005.
- VI. Next Project Managers Meeting
 - A. The next PMM was scheduled for February 24, 2005.
