Dear Mr. Corey:

On September 22, 2016, the Department of Ecology (Ecology) received Revision 18 of the M-91 Transuranic Mixed/Mixed Low-Level Waste Project Management Plan (Reference 1). Ecology received Revision 17 on June 22, 2016 (Reference 2), and submitted comments on this document on August 1, 2016 (Reference 3). An annual submittal of this document and approval of the document by Ecology is required to meet milestone M-091-03.

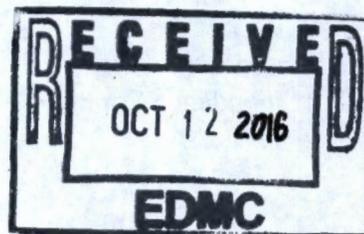

Ecology finds Revision 18 meets the requirements for Calendar Year 2016 set forth under Section 11.5 of the Action Plan for the Implementation of the Hanford Consent Order and Compliance Agreement.

Ecology appreciates the efforts of the United States Department of Energy in producing this report. Ecology looks forward to next year's report. If you have any questions, please contact me at [elis.eberlein@ecy.wa.gov](mailto:elis.eberlein@ecy.wa.gov) or 509-372-7906.

Sincerely,

P. Elis Eberlein, Acting Project Manager
