HANFORD NATURAL RESOURCE TRUSTEE MEETING

On Tuesday, March 29, 1994, we will be hosting the fifth Natural Resource Trustee meeting at the Shilo Inn-Rivershore in Richland, Washington. At Hanford, our efforts have been focused on formulating a Natural Resource working group or council. Our last meeting, held February 17, 1994, in Richland, Washington, was facilitated and a rough draft strategic plan (see attachment) was initiated. This meeting was deemed a successful attempt to focus the direction of the group towards some common goals.

I would like to invite you to participate as an observer in our upcoming meeting. I believe the process we are undergoing will be beneficial to you, your organizations, and your Trustees as you progress towards a collaborative working relationship with your Site Natural Resource Trustees.

Please let me know if you will be able to attend. A draft agenda is attached for your information.

Very truly yours,

Kathleen M. Leonard
