Dear Mr. Knollmeyer:

CONTRACT NUMBER DE-AC06-96RL13200 -- TRANSMITTAL OF HNF-5068,
PROJECT MANAGEMENT PLAN FOR THE 300 AREA SPECIAL-CASE WASTE

This letter transmits the revised HNF-5068, *Project Management Plan for the 300 Area Special-Case Waste*, Revision 1A, which incorporates page changes reflecting informal comments made by the RL and the Washington State Department of Ecology. The comments are incorporated as page changes rather than as part of an overall revision to the document; no effort has been made to revise the document to reflect changes in special-case waste (SCW) stream status since the document was originally issued in March 2000.

Should you have any questions pertaining to this document, please contact either Mr. M. S. Wright (373-5864) or Mr. D. J. Riffe (376-0149).

Sincerely,

N. C. Boyter
Vice President
