-I support the Alternative submitted and am for the wildlife refuge. We need to designate all public lands on the Wahluke slope the Hanford Reach, its islands, the McGee Ranch, the Riverland area and the Arid Lands Ecology Reserve as a National Wildlife Refuge. This includes restricting all mining operations to those essential to completing clean-up and remediation on the Hanford Reservation. Opposing grazing on the Hanford Nuclear reservation and issuing a separate Record of Decision (ROD) for all the areas mentioned above.

This is a postage-paid self-mailer. Please fold and seal before mailing to the address on the back.

IMPORTANT: Before returning this Comment Sheet, please fold the flyer so that it is addressed to Mr. Tom Ferns, and the largest flap on the back matches at the top. Seal with tape at the top only.
