Microsoft Word 4

i have made an additional edit to the ninth paragraph. I've left remains (as plural) and crossed out "provide the drivers to" rather than change drivers to requirements. i also added the year after January 11th and 12th, "2001". I have heard back from Tom Zeilman and Dan Landeen. so I'm getting ready to send to Teri

Subject: 2012 draft with comments incorporated

Hi folks,  
Attached is the final draft I sent to Tom late Friday evening. If you have any last minute minor changes, please send them to Tom by 10:00 a.m. today.

I only have a couple of minors edit to one sentence in the ninth paragraph. Delete the s from 'remains' and replace the word 'driver' with 'requirements' and add the word "interim" before "Record of Decisions".
