Serial Letter 93PM015

Subject: Task Order Number DE-AT06-92RL12105, Well Head  
Surveying, Transmittal of Draft Phase I Survey Results and Final  
Surveying Procedures

Mr. Roger D. Freeberg, Director  
Environmental Restoration Division  
U.S. Department of Energy Field Office, Richland  
P.O. Box 550, MSIN A5-19  
Richland, Washington 99352-0550

Dear Mr. Freeberg:

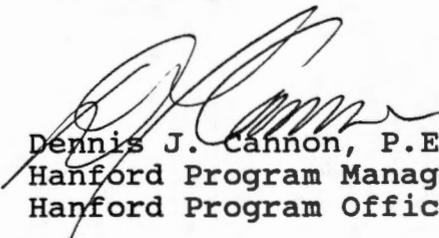

Reference our Serial Letter 92PM062, dated June 23, 1992, indicating our agreement to a deliverable date for the Phase I survey results by March 5, 1993. Also reference our Serial Letter 92PM077, dated August 21, 1992, submitting our procedures for your review and approval.

Enclosed for your review and approval is the draft Phase I survey results from the 1100 and 300 Areas. This is contained in USACE document Number DOE/RL/12074--5, Volumes I-IV, Revision 0. We have performed document clearance on these documents, in case you or your other major participants desires to utilize the data in current RI/FS work. Due to the extreme volume of QC/QA data in the appendix, we will keep the original in USACE and provide one copy to the administrative record. If you could provide your comments and approval by mid January 1993, we will publish the final document before the required deliverable date of March 5, 1993.

Also enclosed for your information is the final procedures for the surveying activities. These are contained in USACE document Number DOE/RL/12074--1 and 2, Revision 1. The Revision 1 incorporates review comments to approve our original submittal.

If you have any questions, please contact John H. Jacobson at (509) 376-1250.

Sincerely,

Dennis J. Cannon, P.E.
