Class of Change

I - Signatories (Section 13.0) II - Project Manager III - Unit Manager

Change Title
Operable Unit Change of the 241-TX-302B Waste Unit

Description/Justification of Change

Change the listing of the 241-TX-302B Waste Unit from Operable Unit 200-TP-5 to Operable Unit 200-TP-2. This change will reflect the true location of the waste unit and will authorize the correction of the following:

1. Hanford Federal Facility Agreement and Consent Order -- Appendix "C"
2. Hanford Waste Management Units Report at the next update
3. Waste Information Data System (WIDS) upon change request approval
4. Prelim. Operable Units Designation Project at the next update

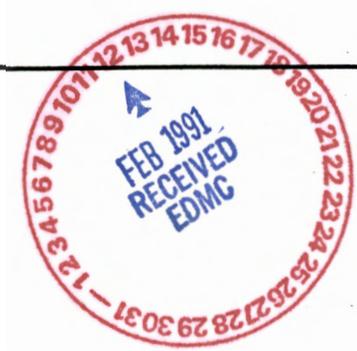

Impact of Change

No change in the overall Environmental Restoration work scope. Since no action has begun on either of the affected operable units, no existing work scope, schedule, or budgets are impacted.

Affected Documents

1. Hanford Federal Facility Agreement and Consent Order
2. Hanford Waste Management Units Report (DOE/RL 88-30)
3. Preliminary Operable Units Designation Project (WHC-EP-0216)
