This letter provides you with notice pursuant to Washington Administrative Code 173-303-815(3)(a)(iii) that Compliance Schedule Item 1, "Submit documentation stating the WTP has been constructed in compliance with the permit," due March 1, 2008, and identified in Reference 1, was not completed as scheduled. The March 1, 2008, compliance item due date was based on cold commissioning in 2009. Technical considerations described in Reference 2 delayed completion of this compliance schedule item. The WTP schedule is a subject of Hanford Federal Facility Agreement and Consent Order (HFFACO) negotiations. Revision to the compliance schedule dates will be proposed after the HFFACO negotiations are completed.

If you have any questions, please contact either of us, or your staff may contact either Lori A. Huffman, Division Director, Environmental Compliance Division, (509) 376-0104, or Brad Erlandson, BNI, (509) 371-3428.
