Dear Mr. Clossey:

Thank you for your interest in and comments on the proposal for expansion of the Environmental Restoration Disposal Facility (ERDF). To keep you informed regarding the disposition of comments, we have attached a copy of the Amended Record of Decision and Responsiveness Summary. 47762

The Responsiveness Summary for ERDF provides the public with a summary of citizens comments and concerns about the action, as raised during the public comment period, and the agencies' response to those comments and concerns. The Responsiveness Summary is the final component of the Amended Record of Decision for the ERDF. Signing of the Amended Record of Decision occurred on September 30, 1997.

Again, thank you for your comments. If you have any questions or would like to discuss this project further, please feel free to call me at (509) 376-4919.

Sincerely,

Pamela S. Innis
