Subject: Revised Draft Meeting Minutes from September 2002 NRTC Meeting

Everyone –

Attached are the red line/strikeout revised meeting minutes from Lowell, based on comments that I received. I received comments from John Price, Lauri Vigue, Larry Gadbois, and DOE (combined).

If you have any additional comments/changes, please let me know. Otherwise, these will be the minutes approved or not approved at our next meeting. The next meeting is scheduled for December 11-12 in Richland.

Also, just an FYI for all of you, I got married last week in Maui and as soon as all the paperwork is changed my new name will be Teri Farber, so when you start receiving e-mails from someone by that name, you will know who it is.

Have a good week.

Thanks.
Teri
