Dear Mr. McLeod:

Re: Review Process for the Remedial Action Work Plan for 300-FF-1

The bid package for the Remedial Action Work Plan (RAWP) states Bechtel Hanford, Inc. anticipates as many as 16 groups and a total of 35 individuals involved in the RAWP review process. This number includes staff from the Washington State Department of Ecology, the U.S. Environmental Protection Agency, and the U.S. Department of Energy.

The purpose of this letter is to officially request a list which will include an itemization of the 16 groups and associated positions within the groups involved in reviewing the document.

If you having any questions, please contact me at (509) 736-3012.

Sincerely

A handwritten signature in black ink that reads "Ted A. Wooley".
