Dear Dr. Brooks:

NATIONAL REGISTER OF HISTORIC (NRHP) PLACES ELIGIBILITY DETERMINATION FOR FIRST FOODS GATHERING AREAS TRADITIONAL CULTURAL PROPERTY IDENTIFIED WITHIN THE LAND CONVEYANCE FINAL AREA OF POTENTIAL EFFECT (APE) (HCRC#2012-600-042)

The U.S. Department of Energy Richland Operations Office (RL) is transmitting the referenced NRHP eligibility determination for your review. The APE for the Land Conveyance project was transmitted to your office and Tribes on September 24, 2012. Dr. Whitlam of your office concurred with the APE on September 24, 2012 (Log No. 092412-04-DOE).

RL conducted archaeological field investigations and funded tribal studies to identify historic properties within the land conveyance APE. Subsequently First Foods Gathering Areas Traditional Cultural Property was identified as a Confederated Tribes of the Umatilla Indian Reservation (CTUIR) place of religious and cultural significance that is located within the APE. In accordance with the 36 CFR 800.4(c), RL acknowledges Indian tribes possess special expertise in assessing the eligibility of historic properties that may possess religious and cultural significance to them and has consulted with the CTUIR regarding NHRP eligibility. As a result of these consultations, RL finds First Foods Gathering Areas Traditional Cultural Property is eligible for listing in the NHRP under Criterion A due to its association with significant patterns of events in CTUIR traditional history and culture. A determination of eligibility and NRHP Registration Form signature page is enclosed for your review and signature should you agree.

We ask for your review of the enclosed information and signature on the enclosed NRHP Registration form before August 26, 2015. A copy of this correspondence is also being provided to the CTUIR representatives. If you have any questions, please contact me on (509) 376-4069 or mona.wright@rl.doe.gov.

Sincerely,

Mona K. Wright
