USDOE's Preferred Alternative Land Use Map

is in opposition ^{to} acceptance of USDO 3rd Alternative Plan.

Instead, I support the tribal proposal of Nez Perce Nation - protecting Treaty Rights of 1855 - i.e. treaty rights of three (3) Indian nations.

Human health risks and Contamination not considered in DOE plan:

* Plan fails to recognize Cleanup as Hanford's primary ^{overriding} ~~overriding~~ mission.

DOE should include within wildlife refuge all of the public lands on the Wablick Slope, the Hanford Reach, especially its islands, the Mc Lee Ranch, and the Arid Lands Ecology Reserve.

I oppose USDOE "preferred alternative" - large scale industrial development.
