Subject: Draft NRTC Agenda for June 19-20, 2002

Everyone –

Attached is the draft agenda for our upcoming meeting. We have switched the administrative topics to Thursday morning as there was a chance that Jamie and Tom O'Brien would not be available on that day.

Larry has asked me to solicit everyone to see if there is an interest in a field trip on Thursday following the meeting. The field trip would begin at approximately 10:30 and I believe it would to travel to the North Slope (?). Please let me know.

Also, please note that we have 2 meeting locations. We are at the Federal Building on 6/19 and then we have to move out to the WSU CIC Building on 6/20. It is located just off George Washington Way as you head out towards the Bechtel Building. If anyone needs directions, please let me know.

Any questions, comments, or concerns, please contact me.

Thanks.
Teri
