RE: Remedial Actions at 300-277 Waste Site Project
HCRC # 2015-300-003
Log No.: 020215-09-DOE

Dear Ms. Wright;

Thank you for contacting our Department. We have reviewed the professional cultural resources survey report for the proposed Remedial Actions at 300-277 Waste Site Project in the 300 Area at the Hanford Site, Benton County, Washington.

We concur with a Determination of No Historic Properties Affected.

We would also request receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4).

These comments are based on the information available at the time of this review and on behalf of the State Historic Preservation Officer in compliance with the Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800.4.).

Should additional information become available, our assessment may be revised.

Thank you for the opportunity to comment.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rob Whitlam', with a long horizontal line extending to the right.
