Dear Mr. Smith and Mr. Lindholm:

The Department of Ecology (Ecology) received and reviewed your response letter with attachments (Reference) correcting the items of non-compliance identified in Ecology's February 29, 2016, letter and compliance report. Ecology has determined there are no outstanding issues remaining from that inspection.

Ecology may re-inspect your business to verify that these steps were taken and that your facility remains in compliance.

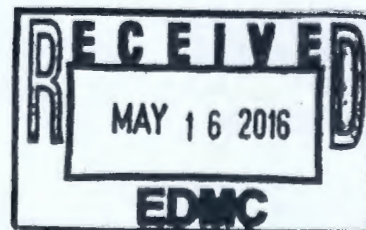

If you have any questions or would like to correct or clarify information in this letter, please contact me at [nancy.ware@ecy.wa.gov](mailto:nancy.ware@ecy.wa.gov) or (509) 372-7912.

Sincerely,

Nancy Ware
