There will be a conference call on Wednesday, March 1, 1995 at 10:00 to discuss issues and concerns on the ERDF Mitigation Action Plan, and to plan a strategy for the March 8, 1995, meeting with Fred Roeck. If you would like to attend onsite, Conference Room 109 has been reserved in the Atrium Building. There will be a speaker phone available, as well. If you cannot attend in person or via telephone, and you have comments, please fax them to Kathy Leonard at 509-372-9447, or to me before Wednesday's meeting. Please call and let me know if you will be able to attend.

I am attaching the nursery letter in its most recent form. I have 4 signature pages. The date for final signatures was set for Friday, March 3.

A draft agenda is almost complete for next week's meeting. I will send that out tomorrow for everyone to review.
