RE: Remedial Actions at 100-H-56 Project
HCRC # 2013-100-019
Log No.: 013013-02-DOE

Dear Ms. Wright;

Thank you for contacting our Department regarding the proposed *Remedial Actions at 100-H-56 Project* on the Hanford Site, Benton County, Washington.

We appreciate your email regarding the BPA response to your inquiry about TCPs that have been discovered and documented on Hanford.

Thank you for providing BPA Ms. Clark Schmidt's determination of No Adverse Effect on March 26, 2013. We concur with BPA's determination.

Please keep us apprised of BPA's Section 304 Case on the Hanford Site.

We would appreciate receiving any correspondence or comments from concerned tribes or other parties that you receive as you consult under the requirements of 36CFR800.4(a)(4). These comments are based on the information available at the time of this review and on the behalf of the State Historic Preservation Officer in conformance with Section 106 of the National Historic Preservation Act, as amended, and its implementing regulations 36CFR800.

Should additional information become available, our assessment may be revised. Thank you for the opportunity to comment and a copy of these comments should be included in subsequent environmental documents.

Sincerely,

Robert G. Whitlam, Ph.D.
