The Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Legal Agreement, Part Five, Common Provisions, Article XXXIII, Notification, states that documents sent between the U.S. Department of Energy (DOE), Washington State Department of Ecology (Ecology), and U.S. Environmental Protection Agency (EPA), hereafter referred to as the Parties, will be sent by certified or overnight express mail, or hand delivered. With the inability for personnel to process or hand-deliver documents during the current health situation (Coronavirus), the Parties have agreed to extend the temporary suspension of these requirements from January 15, 2021 to September 30, 2021.

The Parties agree this extension is warranted to allow email of documents in lieu of the Article XXXIII requirements. The Parties agree that the receipt date will be the date and time that a document is received. Documents shall be sent to the applicable agency(ies) as follows:

- DOE: via email at TPADOE@rl.doe.gov.
- Ecology: via email at NWPmail@ecy.wa.gov.
- EPA: via email to the designated project manager or manager.

The Parties also agree that during this suspension, the Parties may use electronic signatures for transmittal or approval of these documents.

As the September 30, 2021 date approaches, this agreement will be revisited to determine if another extension is warranted.
