Dear Ms. Tortoso:

Today the U.S. Environmental Protection Agency (EPA) received the above referenced letter. The U.S. Department of Energy's (DOE's) response to EPA's general comment number 2 of the Proposed Plan of the referenced letter indicated that DOE needed a verification of 28 of the comments before DOE would consider their incorporation into the document. This letter verifies EPA's comments.

We offer to host the comment resolution meeting.

Where: EPA conference room, 712 Swift Blvd. Suite 5
When: Monday, July 17 1:00 - 3:00

We expect DOE to provide actual comment responses to the above identified 28 comments to the meeting participants prior to July 17 (to allow their review). If you have any questions, please contact me at (509) 376-9884.

Sincerely,

Laurence E Gadbois
