	Closed-Out <input type="radio"/>	
	No Action <input type="radio"/>	

This form documents agreement among the parties listed below authorizing classification of the subject unit as rejected, closed-out, or no action and authorizing backfill of the site, if appropriate. Final removal from the NPL of no action or closed-out sites will occur at a future date.

Description of current waste site condition:

The release was to six personnel moving a box of contaminated pipes and affected an area of ground outside of the 236-Z Building. The area is not marked or posted. The people and surrounding area were immediately decontaminated, per the Radiation Occurrence report (05-85-32).

Basis for reclassification:

Per the Radiation Occurrence Report, the people and area contaminated by the release were immediately decontaminated to background levels.
