Dear Mr. Hughes:

CONTRACT NO. DE-AC06-93RL12367 - RESOURCE CONSERVATION AND RECOVERY ACT (RCRA) ASSESSMENT - A&E 00-ASSMT-075

RL's Analysis and Evaluation Division (A&E) conducted an assessment of B Plant Complex Facility during the month of December 2000.

Enclosed for your information is a copy of the report detailing the results of this assessment. The assessment's itemized scope breakdown, which is listed below, focuses on BHI's compliance with the Hanford Site RCRA permit requirements for treatment, storage, and disposal of mixed waste.

- Facility records;
- facility contingency plan;
- personnel training and qualifications;
- waste analysis plan;
- operating log and logkeeping practices;
- shipping manifests;
- facility security; and
- management and independent assessments.

The contractor's compliance with the RCRA Permit requirements was considered Satisfactory. There were no findings and no observations. No response from BHI is required. The assessment is rated as "green" - meets requirements.

If, in my capacity as a Contracting Officer's Representative (COR), I provide any direction which your company believes exceeds my COR authority, you are to immediately notify the Contracting Officer and request clarification prior to complying with the direction.
