# Hanford Cleanup Meeting

Wednesday, April 17  
Towne Plaza, Yakima  
N. 7th Street and E. Yakima Avenue  
7:00-9:00 p.m.

## 6:30 - 7:30 p.m. informal discussions

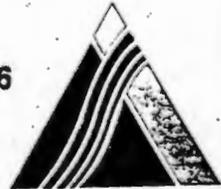

We would like you to join us to discuss the cleanup of Hanford. The focus of the meeting will be EPA's and Ecology's response to DOE's proposed changes to cleanup. The meeting will also cover ongoing work that is speeding up cleanup.

This is an excellent opportunity for you to talk directly to the people responsible for cleanup. There will be plenty of time for your questions and comments. You can even sign up for a five-minute presentation to give us your view of the cleanup. If you or your group is interested, call Cos Edwards on (509) 376-8181 by April 15 to schedule a time slot.

What you have to say about the cleanup of Hanford is important to us.
