Teri,

Would you please forward this message and attached file to the trustees. As indicated below, they are all invited to attend/participate in the upcoming 100 Area Risk Workshop on March 13th. Thanks.

Jamie

Subject: Draft Agenda - 100 Area Risk Workshop

Enclosed is the draft agenda for the 100 Area Risk Workshop on March 13, as discussed on the conference call today. I included a separate list of all the issues you've identified for discussion so we don't lose this. This is being faxed to the other call participants. Please call/fax/email comments to me tomorrow so we can get this distributed Monday.
