Tri-Party Agreement

## The Tri-Party Agencies & The Hanford Advisory Board

co-host

# The 1995 Hanford Annual Meeting

June 1 ♦ 7:00 - 9:30 p.m.

Red Lion Inn, Columbia River

1401 N. Hayden Island Drive, Portland

Meet with and give your views to managers from the U.S. Department of Energy, the U.S. Environmental Protection Agency and the Washington State Department of Ecology and members of the Hanford Advisory Board. Accomplishments from the past 12 months and the outlook for the year ahead will be critically reviewed.

Projected budget reductions mean tough choices will have to be made about Hanford cleanup priorities. The reduction of 3,500 jobs this year at the Hanford Site has been a wakeup call. How will the Department of Energy and its contractors fulfill their commitments set forth in the Tri-Party Agreement?

Help us make better choices. Your values can help shape the course of cleanup. Plan to ask questions and offer comments. Or, if you cannot attend, send your ideas in writing to:
