Re: Completion of Hanford Federal Facility Agreement and Consent Order (Tri-Party Agreement) Milestone M-083-44, "Complete Significant Progress on Deactivation and Removal of 208 Gloveboxes and Disposal of all 236-Z Pencil Tanks in Preparation for Demolition," Due September 30, 2015

Dear Mr. Corey:

The Department of Ecology (Ecology) received a letter (15-AMRP-0334) from the United States Department of Energy (USDOE) on September 24, 2015. This letter notified Ecology of the completion of the Tri-Party Agreement Milestone M-083-44, "Complete Significant Progress on Deactivation and Removal of 208 Gloveboxes and Disposal of all 236-Z Pencil Tanks in Preparation for Demolition."

USDOE provided two attachments to the letter documenting removal of:

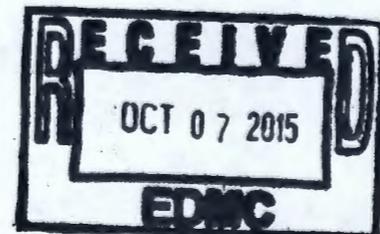

- Gloveboxes from the Plutonium Finishing Plant and
- Pencil Tanks from 236-Z

Ecology reviewed these completion documents, and performed an independent review of shipment paperwork associated with the gloveboxes and pencil tanks. Based on Ecology's reviews, we agree that Interim Milestone M-083-44 has been completed.

If you have any questions, please contact me at [stephanie.schleif@ecy.wa.gov](mailto:stephanie.schleif@ecy.wa.gov) or (509) 372-7929.

Sincerely,

Stephanie Schleif  
Facility Transition Project Manager  
Nuclear Waste Program
