Tri-Party Agreement

January 21, 1993

Dear Interested Citizen:

Thank you for your comments regarding Hanford wastewater discharges. The Washington State Department of Ecology, U.S. Environmental Protection Agency, and U.S. Department of Energy appreciated your comments about discharges at Hanford.

After considering your comments about the Hanford Federal Facility Agreement and Consent Order (Hanford Tri-Party Agreement) Milestone 17-91-05A document, the agencies made changes to Milestone 17. Milestone 17 directs the reduction, treatment, and stoppage of Hanford's wastewater discharges.

Enclosed please find the Hanford wastewater discharges change request, response to comments, and Amendment 3 to the Hanford Federal Facility Agreement and Consent Order.

For further information, please contact Mary Getchell, Ecology, P.O. Box 47600, Olympia, WA 98504-7600, 1-800-321-2008. Thank you.

Sincerely,

David B. Jensen, P.E.  
Hanford Project Manager
