Re: Document Transmittal

Dear Mr. Goller:

The U.S. Environmental Protection Agency (EPA) formally requests that the U.S. Department of Energy (DOE) transmit the 100-BC-1 Limited Field Investigation Report, 100-BC-5 Limited Field Investigation Report, 100-BC-1 Qualitative Risk Assessment, and the 100-BC-5 Qualitative Risk Assessment.

This request has been made many times over the past several months with no action taken on the part of the DOE. The EPA would like to remind the DOE that under Section 9 of the Tri-Party Agreement, the DOE has 30 days in which to submit response to comments and resolve any outstanding issues.

The EPA requests the above listed documents be transmitted within 10 working days. If you have any questions or concerns, please call me at (509) 376-8631.

Sincerely,

Dennis A. Faulk
Unit Manager
